Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the **Rehabilitation of Baldwin Park Train Station** in fiscal year 2024.

The entity to receive funding for this project is the **City of Baldwin Park**, located at **14403 Pacific Ave., Baldwin Park, CA 91706**.

The funding would be used for the rehabilitation of Baldwin Park Train Station which will include improved pedestrian and bicycle access to the facility and major station rehab improvements such as platform restoration work, ADA upgrades, lighting overhaul, and parking lot rehabilitation. The project is an appropriate use of taxpayer funds because rehabilitation of the station will improve connectivity that will ultimately close pedestrian and bicycle access gaps between the Baldwin Park Transit Center and the city's transit oriented downtown. The city's downtown is currently going through major development, which includes new retail space for local businesses. Due to its location, the station also plays a vital role as a passage between the counties of Los Angeles and San Bernardino.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Grace F. Napolitano
Member of Congress
